JL 2.5-INCH SUPER-RIDE SUSPENSION KITS

APPLICATION: JL WRANGLER

YEARS: 2018

PART NUMBER: JL7141 / JL7100 / JL7100E

AVAILABLE: NOW

Rubicon Express is proud to announce the release of 2.5" coil spring lift systems for the 2018 Jeep JL Wrangler Unlimited. This easy to install system elevates the new JL's ride quality and off road performance. Coil spring rates are perfectly tuned for bump compliance and load handling. Detail features include 1.75" diameter Super Ride front lower arms (JL7100 and JL7100E kits), extended sway bar end links and extended bump stops to boost off road capability. This highly tuned system will provide the right height to clear 35" tires on loaded non-Rubicon models and 37" tires on Rubicon models. Proudly made in the USA.
